SUBJECT: **PUBLIC COMMENT PERIOD BEGINS FOR THE FORD APARTMENTS HOUSING PROJECT UNDER THE MENTAL HEALTH SERVICES ACT HOUSING PROGRAM**

This is to inform you that the Department of Mental Health (DMH), as required under the Mental Health Services Act (MHSA), has opened a public review and comment period for the Ford Apartments Housing Project proposed to be funded through the MHSA Housing Program. The public review and comment period will run from April 17, 2009 through May 17, 2009. The document under review is posted on the DMH web site (<http://dmh.lacounty.info/mhsa>).

On June 10, 2008 the Board approved the DMH MHSA Housing Program Plan and authorized the Department to participate in the statewide MHSA Housing Program jointly administered by the California Department of Mental Health (CDMH) and the California Housing and Finance Agency (CalHFA) for the development of permanent supportive housing for individuals with mental illness and their families. CDMH subsequently allocated Los Angeles County \$115,571,200 and transferred the funds to CalHFA to administer the funds and underwrite the loans. DMH has a non-competitive process for soliciting projects for consideration.

The Ford Apartments Housing Project is the tenth MHSA Housing Program project to be posted for public comment in Los Angeles. The Project Sponsor is SRO Housing Corporation. The project is located in Service Area 4 in Supervisorial District 1 and will target homeless individuals with a psychiatric disability. SRO Housing Corporation is requesting a MHSA funded capital development loan of \$9,434,700 and \$9,360,000 in operating subsidies for this project, with 90 units (of a total of 151 units) funded by MHSA and dedicated to individuals with psychiatric disabilities.

Following the public comment period, DMH will summarize the comments, analyze any substantive recommendations and revise the project, as appropriate. DMH will then send the MHSA Housing Program application to CDMH and CalHFA for review, approval and underwriting.
